- During the 15 minutes' preparation time, you are required to prepare two stimulus cards. You will be asked to choose your first card from two on one sub-theme and then you must choose one of the other two cards the examiner gives you.
- You may make notes during the preparation time only on the Additional Answer Sheet provided. **You must not write on the cards.**
- You should take the stimulus cards with you into the examination room. You may refer to the cards and any notes you have made at any time during the test.
- You should hand the stimulus cards and the Additional Answer Sheet to the examiner at the end of the test.

Information

- The test will last between 12 and 14 minutes and will consist of **two** stimulus cards (6-7 minutes each).
- The examiner will ask the questions exactly as they are printed on the cards and may ask follow-up questions to develop the discussion of the sub-themes.
- You must ask the examiner one question arising from the material on each card. You can ask the question at any time during the discussion of the card.
- To develop the discussion of the sub-themes, you will be expected to respond to questions and discuss in **French** broader issues within the sub-themes on the cards.
- You must **not** use a dictionary at any time during this test. This includes the preparation time.

Quel avenir pour le cinéma français ?

Depuis son invention, le cinéma français n'a fait qu'évoluer avec son temps : du muet au parlant, de la Nouvelle Vague au 3D, on en est maintenant à l'animation numérique. Cependant, le développement rapide des nouvelles technologies constitue une menace sérieuse pour le cinéma.

Questions

- Que dit-on ici sur l'évolution du cinéma français ?
- Comment réagissez-vous à l'opinion présentée ici ?
- Selon vous, comment le cinéma français peut-il continuer à évoluer ?
