**Internal standardisation of marking** Each centre must standardise assessment across different teachers/assessors and teaching groups to ensure that all candidates at the centre have been judged against the same standards. If two or more teachers/assessors are involved in marking/assessing, one of them must be designated as responsible for standardising the assessments of all teachers/assessors at the centre.

I confirm that [select/tick either (a) or (b)]

- ☐ (a) the procedure described in the specification has been followed to ensure that the assessments are of the same standard for all candidates, or  
☐ (b) I have marked/assessed the work of all candidates.
