

2020 candidate record form

GCSE Engineering

NEA – Practical engineering (8852/C)

Please attach the form to your candidate's work and keep it at the centre or send it to the moderator as required. The declarations should be completed by the candidate and teacher as indicated.

Centre number

Centre name

Candidate number

Candidate's full name

Work submitted for assessment **must** be the candidate's own. If candidates copy work, allow candidates to copy from them, or cheat in any other way, they may be disqualified.

Candidate declaration

Have you received help/information from anyone **other than** subject teacher(s) to produce this work?

No

Yes (give details below or on a separate sheet if necessary).

Please list below any books, leaflets or other materials (eg DVDs, software packages, internet information) used to complete this work **not** acknowledged in the work itself. Presenting materials copied from other sources **without acknowledgement** is regarded as deliberate deception.

From time to time we use anonymous examples of candidates' work (in paper form and electronically) within our guidance materials to illustrate particular points. If your work appears in AQA materials in this context and you object to this, please contact us and we will remove it on reasonable notice.

I have read and understood the above. I confirm I produced the attached work without assistance other than that which is acceptable under the scheme of assessment.

Candidate signature.

Date

Teacher declaration

I confirm the candidate's work was conducted under the conditions laid out by the specification. I have authenticated the candidate's work and am satisfied (to the best of my knowledge) that the work produced is solely that of the candidate.

To be completed by the teacher

Marks must be awarded in accordance with the instructions and criteria in the specification.

Marking criteria	Maximum mark	Mark awarded	Teacher/assessor's supporting statement
1. Problem solving	15		
2. Drawings and conventions	15		
3. Production planning	15		
4. Engineering skills used	15		
5. Applying systems technology	10		
6. Testing and evaluating	10		
Total mark	80		

- Photographic evidence of the finished outcome must be included in the work submitted. This must clearly support the marks awarded. The quality and quantity of photographs provided must be sufficient to judge the quality and detail of the work undertaken. Failure to provide such evidence may result in moderators being unable to confirm the marks you have awarded. Please tick/select the box to confirm this has been included.

Details of additional assistance given

Record here details of any assistance given to this candidate which is beyond that given to the class as a whole and beyond that described in the specification (*continue on a separate sheet if necessary*).
