

# APPLIED INFORMATION & COMMUNICATION TECHNOLOGY

---

## GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9713 (Applied Information & Communication Technology) in the May/June 2008 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 1	80	48	44	28
Component 2	120	102	89	50
Component 3	80	46	42	26
Component 4	90	75	66	42

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
