Paper 5 Craft A – Design on Paper

1 November – 30 November 2008

INSTRUCTIONS

3 hours

To be given to Candidates one week before the examination date.

READ THESE INSTRUCTIONS FIRST

Write your Centre number, candidate number, name and question number on the top right-hand corner of the front of **each** sheet of paper.

Answer **one** question.

At the end of the examination, fasten all your work securely together at the top left-hand corner of **each** sheet.

All questions in this paper carry equal marks.

This document consists of **2** printed pages.

Answer **one** question.

Except where the question asks for a particular medium to be used, a wide variety of media and techniques is acceptable. Drawing instruments and tracing paper are allowed. All questions are to be done on paper. Candidates should not produce work on any other material.

- 1 Design the front cover and spine of a computer game entitled: RUNAROUND. Work to a suitable proportion. Add any decoration or illustration you feel appropriate. There is no limit on the number of colours to be used.

- 2 Design a poster to advertise a sale of SKATES AND SKATEBOARDS. You must include the following words:

WHEELS
Parkside
13 MAY 2009

You may include any decoration or illustration you feel appropriate.

- 3 Design the logo for a company which specialises in diving and snorkelling holidays. Your design must include the name of the company, which is GOWET. Show in colour how your design would look on a shop sign and a luggage label.

- 4 Design a repeat pattern to be used on a roller blind in the offices of a garden centre which specialises in trees of all sizes. There is no limit on the number of colours to be used.

- 5 Using an appropriate calligraphic script with which you are familiar, design the page of a book using all or part of the following extract:

“Be as quick as you can!” With one hand, Alex replaced the receiver whilst raising the window blind with the other. The sweep of a duster rejuvenated the window ledge, but alas, there was more cleaning yet to be done. Mess was everywhere. Alex surveyed the scene. “Where do you start?”

You may include any additional decoration or illustration you feel appropriate.

- 6 Design the cardboard packaging, including graphics, for any item of kitchen equipment. You should draw an opened-out plan of your design.
