**MARK SCHEME**

Maximum Mark: 50

---

**Published**

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2016 series for most Cambridge IGCSE<sup>®</sup>, Cambridge International A and AS Level components and some Cambridge O Level components.

<b>Additional information</b>
-------------------------------

Points 1 and 11 are already given.

If script is entirely verbatim lift give 0.

If more than one content point appears under a single bullet point, award each content point separately if clearly made.

If content point being made depends on information contained in another bullet point, withhold the mark unless a clear link is made between the two points.

- (b) **Now use your notes to write a summary**, in which you describe the development of the bicycle and its growing popularity in former times, and give reasons for the continuing popularity of the bicycle today, as outlined in the passage.

Candidates have now fleshed out their notes into a piece of formal, continuous prose.

The mark for Style incorporates TWO categories of writing, namely OWN WORDS and USE OF ENGLISH. The table which follows on page 9 provides descriptors of the mark levels assigned to these TWO categories.

In assessing the overall mark for Style, first of all assign the script to a mark level under the category of OWN WORDS. Then arrive at the mark level for USE OF ENGLISH.

Under OWN WORDS, key pointers are: **sustained, noticeable, recognisable but limited, wholesale copying** and **complete transcript**. The difference between wholesale copying and complete transcript is that, whereas in wholesale copying there is nothing / little that is original, the copying has been selective and directed at the question, but with a complete transcript the candidate has started copying and continued writing with little sense of a link to the question. Complete transcripts are rare.

Under USE OF ENGLISH, take into consideration the accuracy of the writing, and the ability to use original complex sentence structures.

#### HOW TO ANNOTATE Q1(b)

#### **Below follows a list of serious errors:**

Wrong verb forms.

Serious tense errors.

Serious errors of sentence structure, especially in setting up subordination.

Omission or obvious misuse of prepositions.

Wholesale misunderstanding over the meanings of words used.

Serious errors of agreement.

Using a comma to replace the necessary full stop.

Mis-spellings of simple, basic words, e.g. were/ where // to/ too// their/ there.

Breakdown of sense.

Serious omissions, or serious intrusions e.g. of definite article. Ignore what are clearly slips.

For sentence structure merit, tick only instances where the sentence structure is both complex and original. Ticks tend to be over relative pronouns, present participles and conjunctions. Do not tick vocabulary: this will be taken into consideration under assessment of OW.

<b>Page 6</b>	<b>Mark Scheme</b>	<b>Syllabus</b>	<b>Paper</b>
	<b>Cambridge O Level – May/June 2016</b>	<b>1123</b>	<b>22</b>

**Irrelevance:** This may be a gloss or an example or elements of the text which do not address the question. Such scripts may be described as recognisable OW but limited by irrelevance (see OW 3 box).

**Wrong or invented material:** Put a cross in the margin to indicate a stretch / section of wrong or invented material.

### **Short answers**

There is no penalty for long answers but, if a script is OBVIOUSLY short, please count the words, mark as normal (i.e. arrive at mark under OW and UE, then add together and halve) and award marks to the following maxima:

66–80 = 4 marks max for style

51–65 = 3 marks max for style

36–50 = 2 marks max for style

21–35 = 1 mark max for style

0–20 = 0 marks for style. No assessment of OW and UE is necessary.
