**MARK SCHEME for the October/November 2007 question paper**

<b>0400 ART AND DESIGN</b>	
<b>0400/04</b>	Paper 4 Critical and Historical Study (E), maximum raw mark 100

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2007 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

The assessment objectives in Art and Design are grouped under the following headings:

- A Knowledge with understanding
- B Interpretative and creative response
- C Personal investigation and development

The Critical and Historical Study or Investigation is carried out by the candidate under the direction of the Centre. This usually takes the form of an A4 or A3 bound project in which the aims of the study are evaluated through a presentation on both visual and written form. An element of first hand research is expected and candidates gain experience and develop critical and presentation skills.

This paper is marked out of 100 according to the criteria grid as related in the syllabus.
