MARK SCHEME FOR the June 2005 question paper

0515 Foreign Language Dutch

0515/04

Paper 4 (Continuous Writing), maximum mark

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were initially instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arose from these discussions will be recorded in the published *Report on the Examination*.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the *Report on the Examination*.

- CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the June 2005 question papers for most IGCSE and GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses

25 marks per question. Each question is marked over a maximum of 140 words.

1 Communication: 5 marks

Put a stroke in the left-hand margin for each of the 5 relevant points.
Record 0 for a failure to score a point.

2 Language: 15 marks

Examiners are required to award ticks beside each Marking Unit which is substantially correct. Errors are not to be indicated. The total number of ticks should be recorded at the foot of the page and converted to a mark out of 15 using the Conversion table at the end of the mark scheme.

3 General Impression: 5 marks

The pro rata mark based on the Language mark should serve as the first guide. This mark should be adjusted up or down by one mark where this is justified by positive or negative qualities of the candidate's work.

- 0-1 Does not rise above the requirements for the Directed Writing Task in Paper 2.
- 2 Fairly good use of idiom, vocabulary, structures and appropriate tenses.
- 3 Good use of the above.
- 4 Very good use of the above.
- 5 Excellent use of the above.

LANGUAGE MARKS

GENERAL NOTES

This positive mark scheme is intended to reward both accuracy and ambition. No marks are deducted for errors. There is no 'impression marking'.

Punctuation: incorrect punctuation will be tolerated.

Repetition: rule of three, i.e. that only the first three examples of identical lexis and structure in identical circumstances will be rewarded.

Accuracy: in letters, ignore any address or date. Ignore also any title which the candidate has invented. No marks may be gained for these items.

Irrelevant material: no marks may be obtained for clearly irrelevant material. Count such material in the word count, but bracket it.

Word Limit: count up to exactly 110 words for Language, but allow up to 140 for Communication. Consequently, award no more marks after 110 words for Language and after 140 words for Communication.

Marking units: a tick is awarded for a correct marking unit of which each element is correct. The tick is recorded over the scoring word.

A VERBS

1 Subject/verb accord

Correctly spelt noun or pronoun + any correct finite verb in the correct word order = 1 tick.

The personal pronouns: *ik, je/jij* etc. as well as the indefinite pronouns: (n)iemand etc. must be correctly written. The present tenses of *hebben* and *zijn* also score ticks, if appropriate.

Ik drink		[1]
Ick drink		[0]

2 Compound tenses

An auxiliary and a past participle in the correct position gains one tick (i.e. one tick per correct verbal unit).

[NB: In question 2 of Paper 4, the narrative must be in the past; consequently, a candidate who uses the present tense is not fulfilling the task set, and a mark for Accuracy would be unfair to those candidates who do attempt the past tense but make mistakes. Either past tense is acceptable, so long as it reads like authentic and idiomatic Dutch.]

Ik heb (een boek) gekocht [1]

Ik heb (met de bus) gegaan [0]

Ik heb gegaan (met de bus) [0]

When candidates use the simple past in combination with a present participle, a past participle, or an infinitive, add an extra tick.

Hij was naar huis gegaan [2]

Zij had haar sleutel gevonden [2]

Wij gingen onder een boom zitten wachten (gingen zitten wachten) [3]

Ik was lopend naar huis gegaan (was lopend gegaan) [3]

Ik heb (vier mensen) uitgenodigd (1 for correct verbal unit, 1 for correct sitting of separable prefix) [2]

Ik moet toegeven [2]
