---

## International General Certificate of Secondary Education

Grade thresholds taken for Syllabus 0413 (Physical Education) in the May/June 2013 examination.

	maximum mark available	minimum mark required for grade:			
		A	C	E	F
Component 11	80	45	37	22	17
Component 12	80	45	37	22	17
Component 13	80	45	37	22	17
Component 2	60	50	38	26	20

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it. Grade A\* does not exist at the level of an individual component.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A\* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is **200**.

The overall thresholds for the different grades were set as follows.

Option	Combination of components	A*	A	B	C	D	E	F	G
AX	02, 11	160	144	128	113	93	74	57	40
AY	02, 12	160	144	128	113	93	74	57	40
AZ	02, 13	160	144	128	113	93	74	57	40

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
