BLANK PAGE

1   Individuals with a learning disability may live with family or in residential care. Only a small number live in supported living accommodation. Supported living means when "people with learning disabilities own or rent their home and have control over the support they get, who they live with (if anyone) and how they live their lives."

© National Development Team for inclusion - "Supported Living - Making the Move" May 2010, ndti.org.uk

(a)   Define the following terms.

Empowerment

_____

_____

_____

_____ [2]

Adults in need of protection

_____
