Geography

Unit 3
Fieldwork

MV18

[GGY31]

THURSDAY 13 JUNE, MORNING

Time

1 hour, plus your additional time allowance.

Instructions to Candidates

Write your Centre Number and Candidate Number in the spaces provided at the top of this page.

At the end of this examination, attach your fieldwork report and table of data securely to this paper using the treasury tag supplied.

Write your answers in the spaces provided in this question paper.

Complete in black ink only. You may use an HB pencil for graphs and diagrams.

Answer **all** questions.

Information for Candidates

The total mark for this paper is 40.

Figures in brackets printed at the end of each question indicate the marks awarded to each question or part question.

Quality of written communication will be assessed in question 4.

Answer **all** questions

Attach your fieldwork statement and table of data to this paper.

- 1 Study **Fig. 1** below which shows the geographical enquiry process.

Complete **Fig. 1** by naming the three missing stages of the geographical enquiry process. [3 marks]

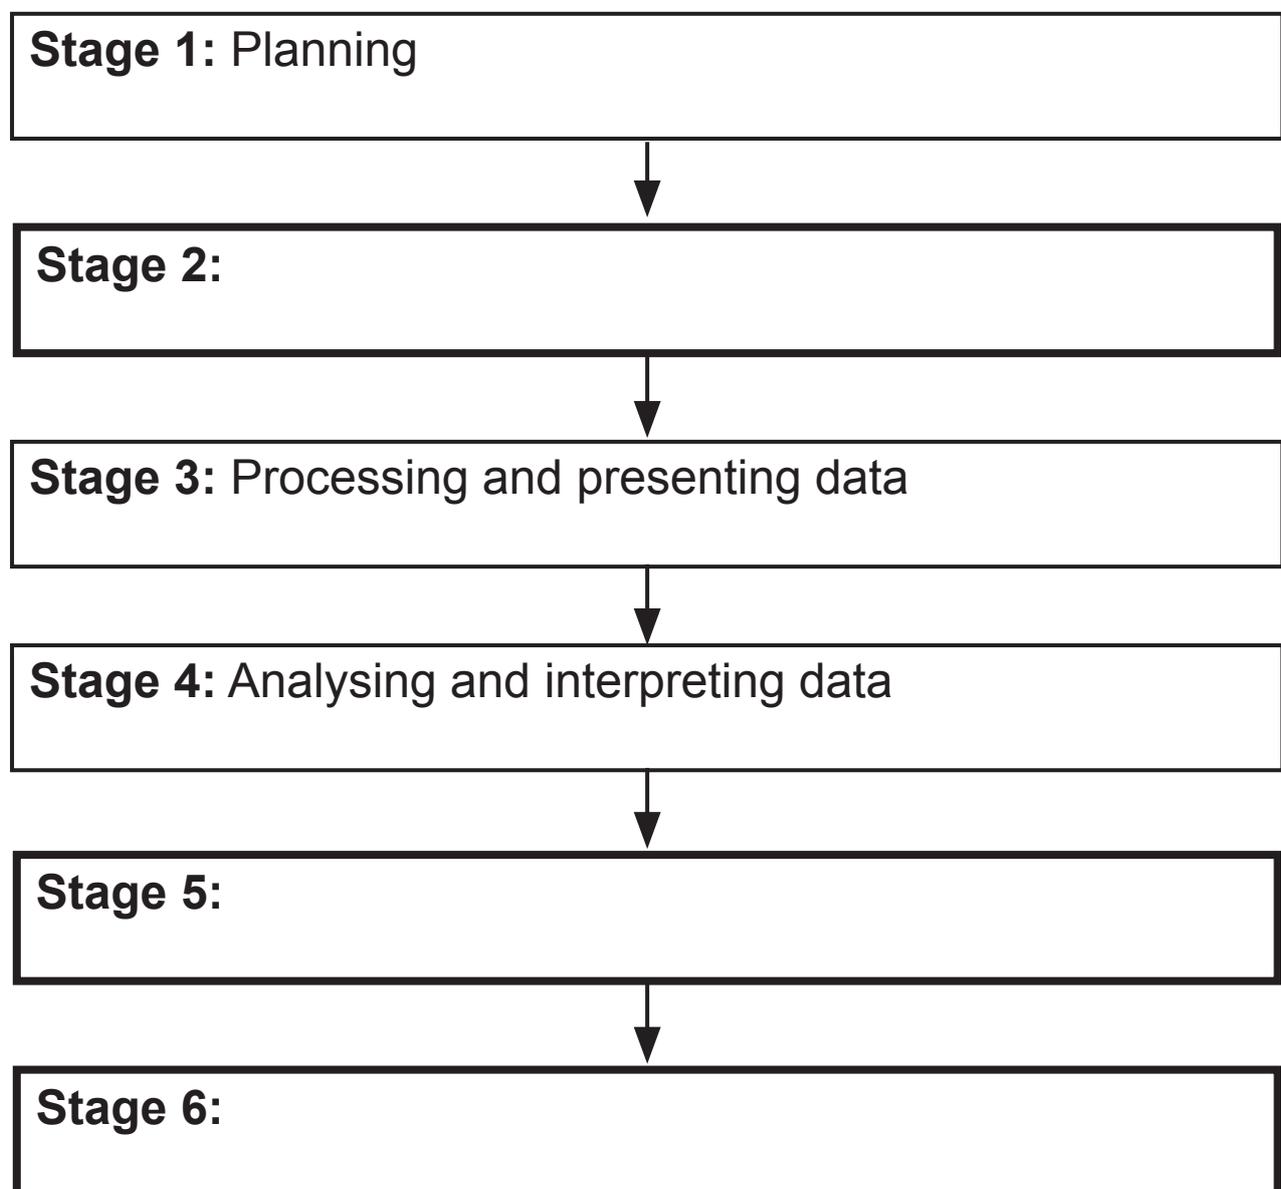

Fig. 1

- 2 State **one** risk considered when planning your fieldwork investigation **and** explain how you reduced this risk.
[1 mark for Risk, 3 marks for explanation]

Risk: _____

How this risk was reduced: _____

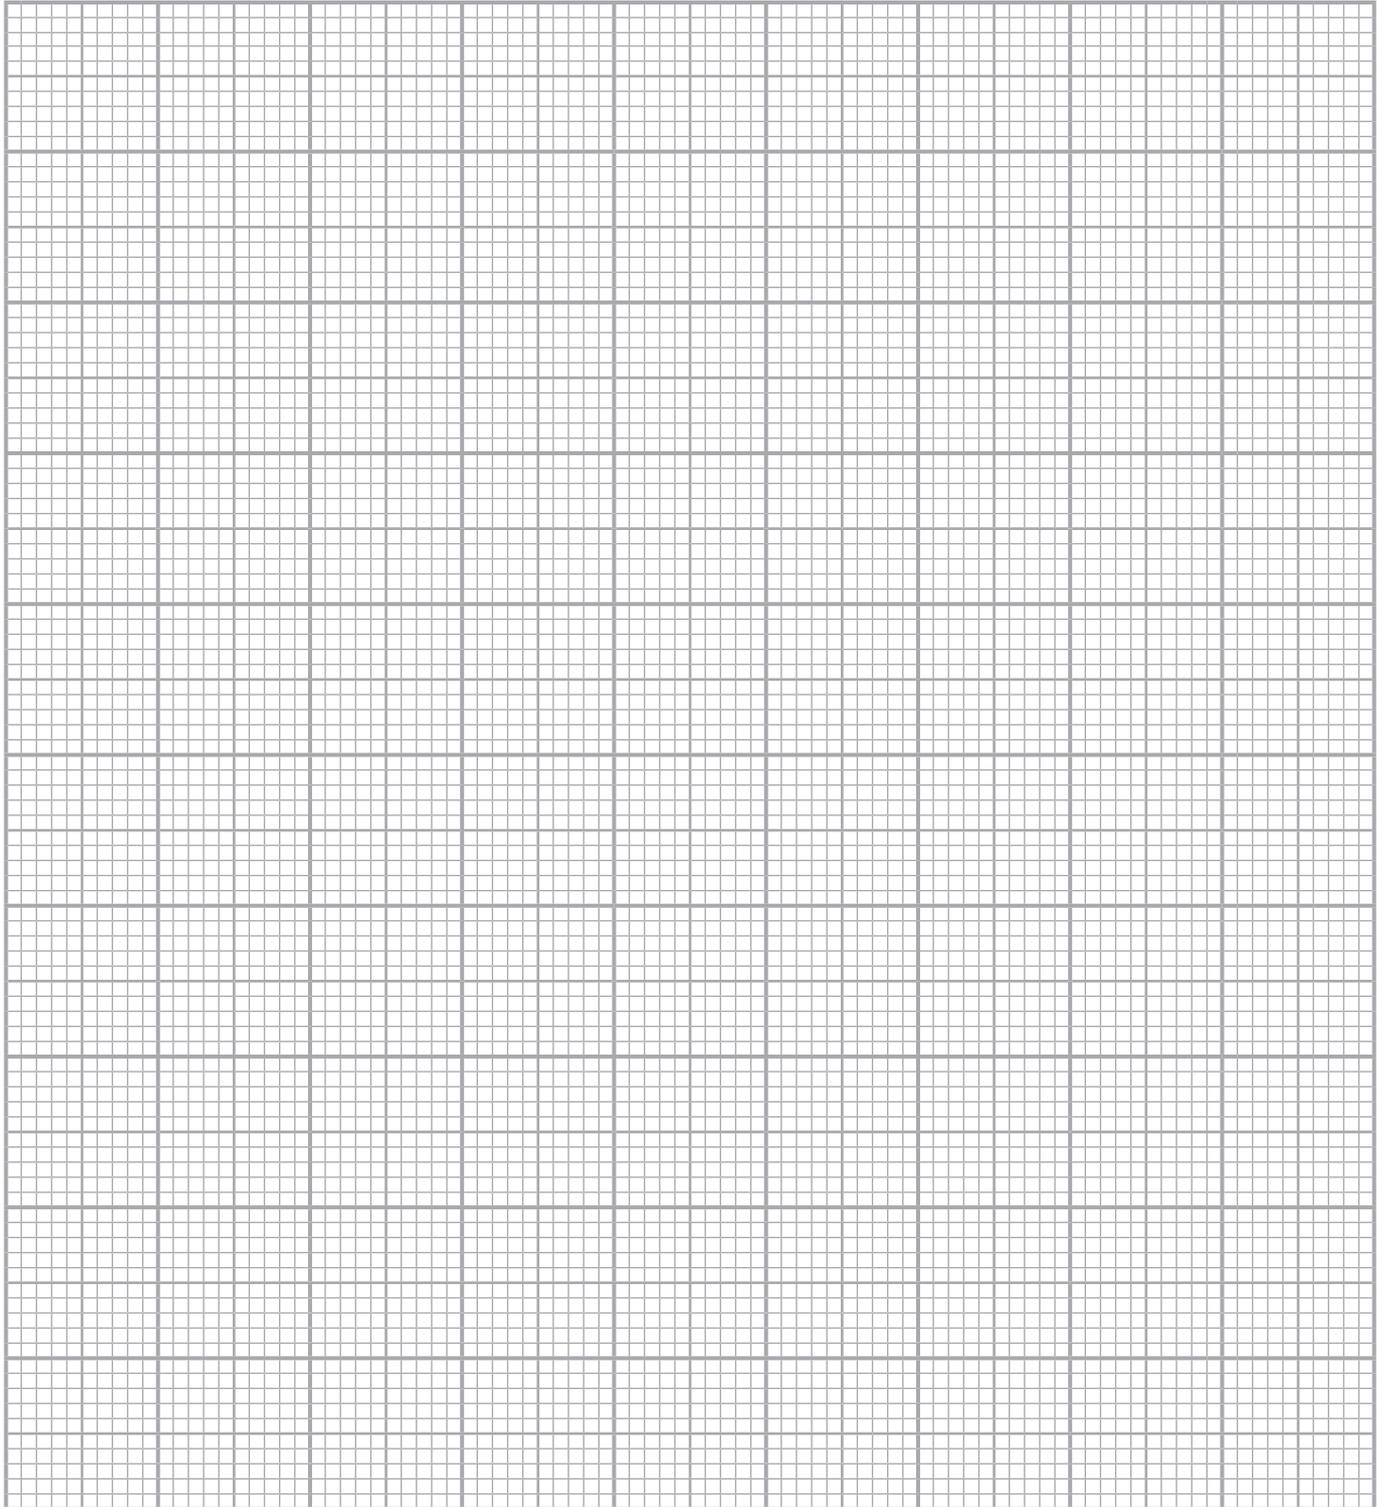

- 3 (i) When you planned your fieldwork you stated at least two hypotheses. State **one** hypothesis and use the graph paper on page 6 overleaf to present the data for this hypothesis.

Your graph must be drawn using only data from your table of data. [8 marks]

Chosen hypothesis: _____

Title of graph: _____

You may use any other graph paper if required.

(ii) Explain why you chose to draw this type of graph.
[3 marks]

(iii) Describe the pattern or relationship that your graph shows.
Use figures to support your answer. [4 marks]

(iv) Suggest a geographical reason for the pattern or relationship shown in your graph. [3 marks]

4 Choose a **different** hypothesis from the one you used in **Question 3** and write it out below.

Chosen hypothesis: _____

Describe the data collection method used to collect the primary data for **this** hypothesis. [5 marks]

- 5 (i) State **one** secondary source used in your fieldwork enquiry. [1 mark]

Secondary source: _____

- (ii) Outline how this source was used in your investigation: [2 marks]

6 (i) Describe **one** possible problem of your data collection methods. [3 marks]

(ii) Describe how you could extend your study. [4 marks]

Reminder

At the end of the examination, you must attach the fieldwork statement and table of data to this paper.

This is the end of the question paper
