Recruitment

A successful job applicant will be placed on a shortlist and requested to attend an interview. They should keep a copy of their application form in order to refresh their memory as to the answers they had written. Some candidates may not be considered for an interview as they may have completed their application form incorrectly.

Some people choose to work for themselves and be their own boss rather than taking orders from someone else. They may invest a lot of money into a business but they could very easily lose their investment if their business does not get off the ground for various reasons.
