

NOTICE TO CENTRES

FAO: Head of Mathematics and Teachers of Mathematics

Date: April 2012

Subject: GCE Mathematics (MEI)

Removal of optional topic from Unit 4756 – Further Methods for Advanced Mathematics (FP2)

From June 2013, the 'Investigations of Curves' topic is to be removed from Unit 4756. This topic will be examined for the final time in the June 2012 and January 2013 series.

From June 2013 there will not be an optional topic on this paper. Section A will continue to have three compulsory questions on the topics Polar Coordinates, Calculus, Series, Complex Numbers and Matrices. Section B will have one compulsory question on Hyperbolic Functions.

An electronic copy of the specification (from June 2013) reflecting this change is available from the qualification page of the [OCR website](#).
