INSTRUCTIONS TO CANDIDATES

- Write your name, centre number and candidate number in the boxes above. Please write clearly and in capital letters.
- Use black ink. HB pencil may be used for graphs and diagrams only.
- Answer **all** the questions.
- Read each question carefully. Make sure you know what you have to do before starting your answer.
- Write your answer to each question in the space provided. If additional space is required, you should use the lined pages at the end of this booklet. The question number(s) must be clearly shown.
- Do **not** write in the bar codes.

INFORMATION FOR CANDIDATES

- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is **80**.
- Your quality of written communication is assessed in the question marked with an asterisk (*).
- This document consists of **16** pages. Any blank pages are indicated.

1 Mothers use formula milk if they choose to bottle feed their babies.

(a) Look at the pictures below. They show the steps in making up a formula milk feed.

Give **one** reason for each step.

Step 1. Wash hands.

Reason

Step 2. Boil water, then let it go cool before pouring into bottle.

Reason

Step 3. Measure powder correctly.

Reason

Step 4. Shake water and powder.

Reason

Step 5. Test on inside of wrist.

Reason [5]

(b) Give **three** reasons why a mother may choose to bottle feed her baby.

1.....

2.....

3..... [3]

(c) A survey at a local health centre asked parents/carers about the methods they use to sterilise babies' feeding bottles.

Look at the results of the survey below.

Method Used:	Microwave	Steaming	Chemicals
Number of parents/ carers:	250	90	100

(i) Which method was used by 90 parents/carers in the survey?

..... [1]

(ii) Which method was the most popular?

..... [1]

(iii) State why it is important to follow the instructions carefully when sterilising feeding bottles.

.....

..... [1]

(d) There are many types of day care provision.

Explain **three** reasons why parents/carers may choose a childminder to look after their three-year old child.

1.....
.....
.....
..... [2]

2.....

.....
..... [2]

3.....
.....
.....
..... [2]

(e) Give **three** types of day care for a three-year old child other than a childminder.

1.....
2.....
3..... [3]

Total [20]

- 2 (a) What is meant by the term intellectual development (also known as cognitive development)?

.....
 [1]

- (b) Using the ages below, complete the table to show when a child reaches the intellectual norms or milestones listed.

1 month	3 months	1 year	2½ years
---------	----------	--------	----------

Intellectual Norm or Milestone	Age
Recognises parent/carer	
Constantly asks questions	
Plays with hands	
Copies actions, (for example, waving)	

[4]

- (c) Identify **three** ways play could help intellectual development.

1.....
 2.....
 3..... [3]

- (d) Give **three** life events that could affect the behaviour of children.

1.....
 2.....
 3..... [3]

(e) Describe **two** ways that too much discipline could harm a child's development.

1.....
.....
..... [2]

2.....
.....
..... [2]

Total [15]

3* A woman should take care of herself during pregnancy.

- Describe the signs that would show to a woman that she could be pregnant.
- A woman is choosing clothes for herself for the last three months of her pregnancy. Explain the factors she should consider.
