INFORMATION FOR CANDIDATES

- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is **60**.
- You are advised to spend about 15 minutes reading through the Resource Booklet and Question Paper before answering the questions.
- Quality of Written Communication will be assessed in questions 3 and 4.
- This document consists of **16** pages. Any blank pages are indicated.

This paper has been pre modified for carrier language

Read the **Resource Booklet** and then answer **all** the following questions in the spaces provided.

- 1 How credible are Tony Robinson's views about metal detecting as stated in **Document 4**? You should come to a reasoned judgment supported by a sustained assessment. [6]
- 2 How useful is the Heritage Action Artefact Erosion Counter (**Document 5**) as evidence of the activities of metal detectorists? You should come to a reasoned judgment supported by a sustained assessment. [6]
- 3 In **Document 4**, Tony Robinson proposes that the Government should introduce a licensing scheme for metal detectorists.

Suggest **three** appropriate criteria (such as ease of implementation) and use them to evaluate this proposal. [12]

- 4 Metal detectorists who find valuable historical objects have to decide what to do with them. Write an argument to support any **one** of the choices they may make.

In your argument you should use some relevant principles and explain why you have rejected at least one **alternative** choice. Support your argument by referring critically to the resource documents. [36]
