Tech-Know-Expert was established in 1997 by a Japanese businessman. Starting as a single shop in Peterborough, there are now 17 branches.

All Tech-Know-Expert staff are well-trained and chosen for their friendliness and knowledge. They will never try to sell you something you don't need, or use technical language you don't understand.

Although the shops all sell new products, most sell second-hand items; there are big reductions available if you are not interested in the latest technology. In addition, expert staff can repair your broken gadgets.

Many straightforward repairs can be done while-you-wait, but if it is more complicated it may take a couple of days. They will call you when it is ready.

Shop open 10.00-19.00 every day except Monday.
Opening extended to 21.00 in December and during sales.

Visit the website to see the complete range of products, where the stores are located, and meet the employee of the month.

Dr Gallagher's Clinic

Since graduating from the University of York in 2005 Dr Gallagher has specialised in working with young people, particularly where other treatments have unfortunately failed. He can help with smoking, problems with alcohol and eating disorders.

Smoking

Not only does smoking cause a range of serious illnesses, it is also very expensive. Many people could be hundreds of pounds better off by giving up, allowing them to go on holiday or save towards buying their first house.

Dr Gallagher's methods are adapted to suit the individual patient, and include discussion to find the root cause of the problem.

Clinics from 2pm till 8pm Monday to Friday.
Although appointments are available on a Saturday, it's for emergencies only.

The clinic is easy to find but parking on site is limited.
If you use a nearby public car park, charges apply at all times.

See website for telephone number, a map, and details of Dr Gallagher's fees and the full range of services he offers.

MyNews

MyNews was established in 2007 by a former languages teacher, Kerri. She noticed that there were lots of publications for young learners, but felt there was little to interest adults.

Each week the newspaper contains a selection of current news items, carefully chosen to attract foreigners with an interest in British life and culture. There is a mix of political, scientific, celebrity and education articles.

Because the newspaper is based on current affairs, there is no repetition of stories, and each edition reflects the week that has just been.

An annual subscription costs 150 euros by post. If you would like to receive it by email, it is just 120 euros.

MyNews is currently available at two levels – intermediate and advanced. A version for beginners is being considered at present and may be launched in 2018, depending on demand.

See website to place an order or see some typical pages.

Changes for the new academic year

Rockingham Girls' School's uniform is changing for September, following consultation with parents, staff and the student committee. The new uniform reflects the demands of the modern workplace.

Pupils no longer need to wear a skirt, and can choose trousers instead. A majority of parents did not think that a tie was appropriate for girls in the 21st century.

Older girls can continue to select their own clothes. Nevertheless, there is an expectation that colours, styles and lengths will be suitable for school.

Teachers

Mrs Berry is leaving the French department to become a librarian.

Her replacement will be Miss Livingstone, who offers expertise in hockey and swimming as well as modern languages.

The lunch break is being lengthened by fifteen minutes in order to allow more pupils to participate in clubs and activities.

All letters to parents will now be sent out by email. Parents must ensure the school has a current email address.
