Source A

Learning from experience is the learning we gain by reflecting on the experiences we encounter. Experience without reflection does not always result in learning. It is through the reflective process that meaning is created and new insights gained.

Source B

"I'M TAKING A SURVEY ON HOW TODAY'S HOUSEWIFE SPENDS HER LEISURE TIME."

Source C

People's participation in leisure as a child, then as an adult

Copyright Information

OCR is committed to seeking permission to reproduce all third-party content that it uses in its assessment materials. OCR has attempted to identify and contact all copyright holders whose work is used in this paper. To avoid the issue of disclosure of answer-related information to candidates, all copyright acknowledgements are reproduced in the OCR Copyright Acknowledgements Booklet. This is produced for each series of examinations and is freely available to download from our public website (www.ocr.org.uk) after the live examination series.

If OCR has unwittingly failed to correctly acknowledge or clear any third-party content in this assessment material, OCR will be happy to correct its mistake at the earliest possible opportunity.
