None

READ INSTRUCTIONS OVERLEAF

INSTRUCTIONS TO CANDIDATES

Write your name, centre number and candidate number in the boxes on the front page. Please write clearly and in capital letters.

Use black ink. HB pencil may be used for graphs and diagrams only.

Read each question carefully. Make sure you know what you have to do before starting your answer.

Write your answer to each question in the space provided. If additional space is required, you should use the lined page(s) at the end of this booklet. The question number(s) must be clearly shown.

Answer ALL the questions.

INFORMATION FOR CANDIDATES

The number of marks is given in brackets [] at the end of each question or part question.

The total number of marks for this paper is 100.

The quality of written communication will be assessed in your answers to questions marked with an asterisk (*).

BLANK PAGE

- 1 (a) (i) Describe what is meant by **NATURE** in the nature/nurture debate.

[2]

- (ii) Describe what is meant by **NURTURE** in the nature/nurture debate.

[2]

- (b)* Use **BOTH** sides of the nature/nurture debate to explain ways in which an adult could have developed specific fears. [11]

[illegible]

(a) Explain the term ‘feral child’.

[2]

(b)* Use theory from the social learning perspective to analyse why a child might have poorly developed social skills. [11]

[illegible]

(c)* Use theory from the humanist perspective to assess how a foster carer could meet the emotional needs of a child. [12]

[illegible]

- 3 (a) Outline TWO reasons why personal hygiene is important during adolescence.**

[4]

- (b)* Explain why an adolescent might have difficulty in accessing health services. [8]**

[illegible]

(c)* Analyse how the development of an adolescent could be affected if severe flooding forces them to leave their home suddenly. [8]

[illegible]

[illegible]

(a)* Analyse factors which could affect self-concept in later adulthood. [10]

[illegible]

(b)* It is important that people working in residential care homes support residents, in later adulthood, in maintaining their individual identities.

Evaluate how understanding theory from the psychodynamic perspective could help them do this. [15]

[illegible]

[illegible]

END OF QUESTION PAPER

ADDITIONAL ANSWER SPACE

If additional space is required, you should use the following lined page(s). The question number(s) must be clearly shown in the margin(s).

[illegible]
