Nazaneen is a Dental Nurse, she supports the dentist in all aspects of patients' dental care. She gets the treatment room ready for use and prepares the patient for dental treatment by welcoming them and offering reassurance to help reduce their anxiety.

Nazaneen's job also involves sterilising instruments and during an appointment she passes instruments to the dentist. She is responsible for ensuring high standards of cleanliness are maintained in the treatment room.

Looking after patient records is another important part of Nazaneen's job. She often handles confidential patient information, including making notes on the patient's record when the dentist is carrying out an examination.

3 Read the information below from a GP Surgery website, then answer the questions.

Patients can get an appointment with a doctor on the same day, however, to see the doctor of your choice, appointments need to be booked in advance.

We have disabled access for patients including ramps, toilet facilities and parking. A hearing loop system is in place and we have staff on duty who can use British Sign Language. If we can improve access, please let us know how.

Instead of attending the surgery, we offer ‘On the Day Telephone Appointments’ when you can speak to a doctor. Let us know your opinions on how useful this is compared with seeing a doctor at the surgery.

We welcome feedback and have procedures in place to deal with any concerns. Please direct any complaints or comments to our Practice Manager.

(a) Identify THREE ways that the GP Surgery meets the requirements of the Equality Act 2010 for people with disabilities.
