Optimax Beauty Products is a manufacturer of cosmetics. The mission of the business is to produce reasonably-priced beauty products that are free from toxic metals and have not been tested on animals. The business was founded by Sarah and Polly 15 years ago. Sarah and Polly met at university when they were both studying Biomedical Science. *Optimax Beauty Products* operates as a partnership.

Optimax Beauty Products is organised by function. Sarah is in charge of administration, human resources and finance. Polly oversees production, marketing and sales. There is a departmental manager in charge of each of these functional areas. The departmental managers report directly to Sarah or Polly.

The launch event will be held on 8 July 2017. It will start at 1pm to allow participants enough time to travel to the venue. The event will finish at 5pm.

Polly and David have decided that the most effective layout for the meeting room would be either Cabaret or Reception style. Both of these layouts would give participants an unobstructed view of the PowerPoint presentation and the product display.

The brochure below shows the facilities available at St Joseph's College, together with the prices. Polly would like a buffet menu (finger food) to be served during the event. The total budget is £2000.

CONFERENCE FACILITIES**Meeting Rooms**

	Full Day (9am – 5pm)	Half Day (9am – 1pm or 1pm – 5pm)
