**Text 4**

An upturn in the economy and an increasing desire for a healthy lifestyle have led to an increased demand for sports equipment. The directors of Performance plc have decided that it is time to expand the company.

The company is planning to buy a piece of land in the heart of the Welsh countryside to build a new factory. The new factory will operate 24 hours a day. This will greatly increase the amount of sports equipment which the company can produce. However, the expansion is not without risk. The cost of the expansion will use up all of the company's retained profits and a bank loan will be needed.

**4 Refer to Text 4.**

(a) Other than physical expansion, explain **two** ways in which a business such as Performance plc could react to an upturn in the economy.
