FIG. 9.1

Reopening your local community centre

Your local community centre has suddenly closed. The local district council has boarded up the building to prevent it from being damaged (see Fig. 9.2 opposite). The council owns the community centre and the land on which it stands.

A small group of volunteers has run the centre for over 20 years, paying a rent of £200 a year to the council. Over the years, volunteers have retired. No one else has come forward to help.

A popular event at the centre was the annual boxing show. The boxing club coach said he was devastated to hear news that the centre had closed.

The community centre is in the middle of the Hightown estate but it has good transport

links with the rest of your town. FIG. 9.3 on pages 13–15 includes information about people who live on the estate.

You and your friends want to campaign for the community centre to reopen. You decide to write an action plan.
