

Thursday 5 June 2014 – Afternoon

**GCSE HOME ECONOMICS
Child Development**

B013/01 Principles of Child Development

Candidates answer on the Question Paper.

OCR supplied materials:
None

Other materials required:
None

Duration: 1 hour 30 minutes

Candidate forename		Candidate surname	
Centre number		Candidate number	

INSTRUCTIONS TO CANDIDATES

- Write your name, centre number and candidate number in the boxes above. Please write clearly and in capital letters.
- Use black ink. HB pencil may be used for graphs and diagrams only.
- Answer **all** the questions.
- Read each question carefully. Make sure you know what you have to do before starting your answer.
- Write your answer to each question in the space provided. If additional space is required, you should use the lined pages at the end of this booklet. The question number(s) must be clearly shown.
- Do **not** write in the bar codes.

INFORMATION FOR CANDIDATES

- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is **80**.
- Your quality of written communication is assessed in the question marked with an asterisk (*).
- This document consists of **16** pages. Any blank pages are indicated.

2

1 Children are fostered for different reasons.

(a) (i) Look at the list below of the types of foster care.

Emergency	Kinship	Respite
-----------	---------	---------

Complete the table below to match the type of foster care to the correct description.

Description	Type of foster care
A child goes to live with a family member if parents/carers have died	
A child with special needs stays with another family so their own family can have a break	
A child at risk urgently needs somewhere safe to stay for a few nights	

[3]

(ii) Give **three** ways foster care is different from adoption.

1

.....

2

.....

3

.....

[3]

(b) Planning when to have a family is very important.

(i) What is meant by the term 'contraception'?

.....

..... [1]

(ii) Give **two** barrier methods of contraception.

1

2

[2]

3

(iii) Explain **three** ways a woman should care for her health before she becomes pregnant.

1

.....

.....

2

- 2 By law, children who travel in a car must be in the correct safety restraint.

Look at the chart below which shows some types of safety restraints for the different age and weight ranges of children.

Type of restraint	Weight of child	Age range
Rear-facing baby seat	Up to 13 kg	Birth to 9 months
Forward-facing child seat	9 – 18 kg	9 months to 4 years
Booster seat	15 – 25 kg	4 to 6 years

- (a) (i) What is the age range for a child using a booster seat?

.....[1]

- (ii) Identify the weight range for a child using a forward-facing child seat.

.....[1]

- (iii) What type of child restraint should be used from 9 months onwards?

.....[1]

- (b) State the safety label found on child safety restraints.

.....[1]

- (c) When is it illegal to use a rear-facing baby seat in the front of a car?

.....[1]

5

- (d) Children should know what to do to keep themselves safe.

Give **three** personal safety rules parents/carers should teach young children.

- 1
- 2
- 3 [3]

- (e) Being clean is one condition needed for a child to grow and develop physically.

- (i) Explain what is meant by the term 'topping and tailing'.

.....

.....

..... [2]

- (ii) Identify **two** signs of nappy rash.

- 1
- 2 [2]

- (iii) Give **four** items used when changing a baby's nappy.

- 1
- 2
- 3
- 4 [4]

- (iv) State **four** conditions, other than being clean, that help a child's physical growth and development.

- 1
- 2
- 3
- 4 [4]

[Total: 20]

3 Labour is divided into three stages.

Look at the picture below showing the first stage of labour.

(a) Describe **three** steps that take place during the first stage of labour.

- 1
-
-
- 2
-
-
- 3

-

[6]

(b) Different types of pain relief could be used during labour.

Complete the table by giving **one** disadvantage of each type of pain relief.

Type of pain relief	Disadvantage
Entonox	
Pethidine	
TENS machine	

[3]

(c) What is meant by the following terms:

vernix

..... [1]

lanugo?

..... [1]

(d) Health professionals have different roles in supporting mothers before and after a baby's birth.

Look at the list below.

GP (family doctor)	Gynaecologist	Health visitor	Midwife
--------------------	---------------	----------------	---------

Complete the table below by matching the different health professionals to their roles.

Role	Health professional
Conducts the mother's post natal examination six weeks after the baby is born	
Runs antenatal classes and cares for the mother during the birth of the baby	
Supports the mother and new baby from 10 days after birth until the child is 5 years old	
A doctor who has specialised in the female reproductive system

[Total: 15]

4* Many children go through a stage of refusing food.

- Describe the reasons why a child may refuse food.
- Explain ways a parent/carer could help a child through the stage of refusing food.

[15]

This image shows a single page of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

This image shows a full page of primary-ruled paper. It features approximately 20 horizontal dashed lines spaced evenly down the page, providing a guide for handwriting practice. The paper is otherwise blank, with no margins, text, or other markings.

5 Parents/carers should help a child develop self-esteem and confidence.

(a) State **three** ways parents/carers could help a child develop self-esteem and confidence.

- 1
-
- 2
-
- 3
-

[3]

(b) Children experience positive and negative emotions.

Identify **four** positive emotions from the diagram above.

- 1
- 2
- 3
- 4

[4]

Give **three** ways drawing could help a child's development.

- 1
 - 2
 - 3
- [3]

(d) (i) Painting is one kind of messy play.

Identify **two** other kinds of messy play.

- 1
 - 2
- [2]

(ii) Give **three** ways parents/carers could prepare for a session of messy play for a child.

- 1
 - 2
 - 3
- [3]

[Total: 15]

This image shows a blank sheet of white paper designed for writing. It features a series of evenly spaced horizontal blue lines across its entire width. A single vertical red line runs down the left side, creating a narrow margin. The paper is otherwise completely empty, with no text or markings.

[illegible]

This image shows a blank sheet of white paper designed for handwriting practice. It features a series of horizontal dashed lines spaced evenly down the page. A single vertical solid line runs along the left side, creating a narrow margin. The rest of the page is open space between the margin line and the right edge, bounded by the horizontal ruling lines.

END OF QUESTION PAPER

PLEASE DO NOT WRITE ON THIS PAGE
