   1 ....

   2 ....
                                                                                                                      [2]

   (b) Explain **two disadvantages** to **OCER Theatre** of having a self-service multimedia ticketing kiosk.

   1 ....

   ....

   ....

   ....

   2 ....

   ....

   ....

   ....
                                                                                                                      [4]

4   The production company at OCER Theatre uses project management software to plan the production of new shows.

   Explain how project management software can be used when planning a show.

   ....

   ....

   ....

   ....

   ....

   ....

   ....

   .... **[4]**

5

5 OCER Theatre accepts bookings through its website. Information is collected from the customer and stored in a database. The tickets are then posted to the customer.

(a) Identify **three** items of data that must be stored in the database.

1 ....

2 ....

3 ....
[3]

(b) Describe how the following database features could be used by OCER Theatre.

Query ....

....

....

....

Report ....

....

....

....
[4]

(c) Customers must register on the website before they can order tickets.

Explain **one** advantage and **one** disadvantage to customers of registering on the website.

Advantage ....

....

....

....

Disadvantage ....

....

....

....
[4]

6

6* OCER Theatre has recently introduced a print-at-home ticketing system.

Explain the advantages and disadvantages of a print-at-home ticketing system. Your answer should consider both OCER Theatre and its customers.

Marks will be awarded for the quality of written communication in your answer.

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

....

.... **[8]**
