3. Study the following extract from a family blog about a recent holiday.

#### **Family Blog**

**Saturday** – We arrived in the seaside resort around 2 p.m. We were stuck in traffic for nearly an hour! The accommodation was good but our hotel was one of many of more than 20 floors high.

**Tuesday** – Today we took a boat to a small island. It was great to see all the different birds and seals. There were paths for us to follow but some people decided not to use them in order to take a better photograph of the wildlife.

**Friday** – The weather was really hot so we decided to stay on the beach for the day. The beach was full of people and the rubbish bins by the beach cafes were overflowing with cans and bottles. There were loads of activities to do such as donkey rides, jet ski hire and kayak lessons.
